From the Principal

At our school assembly this week, I spoke to students about the rising tide of sectarian violence in Iraq and Syria. As students in Australia, our young people are fortunate indeed to be living in a robust democracy supported by the rule of law. It is important that our students recognize that this did not happen by accident and the prosperity and quality of life we enjoy are the result of hard work, clear vision, commitment to sound principles and respect for all. If we are to sustain our lifestyle into the future, then the next generation of leaders must take inspiration from current and past examples of quality leadership. Equally, such leadership cannot be sustained in a vacuum. As future adult citizens, all our young people must take on the responsibility for ensuring that we never descend into the chaos and misery that is reported daily from places such as Iraq and Syria and any number of troubled areas in the world. Importantly also, our young people have a responsibility as 21st century global citizens to have an awareness of and be supportive of others experiencing difficulty in other parts of the world.

Our next P&C meeting is on Tuesday 29th July in the Library at 7:30pm

Deputy Principal's Report

Johnson and Johnson Program
This week I attended a meeting at Johnson and Johnson Head Office at North Ryde as the two coordinators of the Bridge to Employment program from America were here to report on the progress of the program. All the partners in the prestigious program were present – Johnson and Johnson, Macquarie University, Macquarie Private Hospital, Meadowbank TAFE, 2realise and Marsden High School.

Overwhelmingly, the impression our Year 10 students have left on each of the partners is what interested, engaged and polite students they are. All partners are willing to offer so many more opportunities to our students in the knowledge that the students are appreciative and receptive to what has been offered to date.
The coordinators also came to the school with the Johnson and Johnson mentors on Thursday afternoon to meet with the students to see first hand how the project was progressing. The mentors provided a free BBQ and soccer game for interested students at the end of the day.

Nathan’s visit
Friday was an interesting day for our Years 10, 11 and 12 students as we had a guest speaker to talk to us about how his life changed after an alcohol related road accident. Nathan who has just turned 20 had his accident six months ago and as a result he is a paraplegic, confined to a wheelchair. Nathan spoke very honestly about his accident, the dangers of reckless behaviour, his journey to now, his daily regimes and the importance of family and friends.

Nathan’s mother also spoke to the students about the family’s reaction when they heard about the accident through to how it has impacted on the family.
Our students were quite shocked by his story and by the speed at which their life can change. Nathan had been an elite sportsman; he had been a member of the Swans AFL Academy and also played Rugby League each weekend. He is now living in assisted accommodation while his parent’s house is being adapted to take his wheelchair. He is no longer able to work and is attending physiotherapy three times a week at Sydney University at a cost of $220 a session.

The students were not only interested but also very respectful. I was particularly impressed by the number of boys who came out to shake Nathan’s hand at the end of the presentation and the number of girls who came to thank him for coming to speak to us.

We took a collection for Nathan and raised over $100 that we were able to give him on the day to help with his rehabilitation.

Work Studies students visit the homeless

Last week Year 12 Work Studies students had a walk through some of the areas in the city frequented by homeless people. We then had a talk from the St Vincent de Paul Society about the Matthew Talbot Hostel and the Oznam Learning Centre at Woolloomooloo.

Our guide Kaye, explained that the homeless people are in great need of blankets and backpacks. They recently had a distribution of backpacks, which are very valuable to the homeless as it allows them to carry their belongings around. They were not able to meet the demand and Kaye explained that it was heartbreaking to see grown men crying because they missed out on a second hand backpack.

If you have any second hand backpacks or blankets that are not being used, please send them in to me at the school and the Year 12 Work Studies class will arrange for them to be delivered to the Society.

Year 12 Trials

This week Year 12 students will receive a copy of their Trial Examination Timetable. Exams begin on Monday 28th July. Trial examinations are a very important part of the school based assessment and the expectation is that students already have a program of study and are working towards these exams.

Refugee Week

This week is Refugee Week. Refugee students are included in the rich tapestry of students that make up Marsden High School.

A refugee is a person who is outside their home country because they have suffered (or feared) persecution on account of race, religion, nationality, political opinion, or because they are a member of a persecuted 'social group' or because they are fleeing a war.

Some of our refugee students live in care, some live with family. Over many years I have noticed that the common threads amongst refugee students are that they are very peaceful and polite students who work very hard as they really value the opportunity to get a good education.

A refugee student who was recently enrolled said to me upon accepting his enrolment “This is the happiest day of my life”. He was not able to get an education in his own country and he knew that his life was now full of promise and hope.

Many of these students are now attending universities and TAFEs and hold positions in government and non-government agencies, police, law, business, education, trades and more.

Being Sun Smart

Protect the skin you're in with the free SunSmart App. Overexposure to ultraviolet (UV) radiation causes wrinkles and skin and eye damage, ultimately leading to skin cancer.

How does it work?
Download the app and select your location in Australia.
Set up a sun protection alert and receive daily reminders of the times of day sun protection is required.
Select to receive the alert at the time of your choice or at the exact time the UV is forecast to reach a level that can damage your skin and eyes.
Use the sunscreen calculator to find out how much sunscreen you need to apply, taking account of your size and clothing.

Features
Sun protection times > Lets you know when you do and don't need sun protection for any location in Australia.
7 day weather forecast > Check the weather for the week ahead.
Alert function > Personalise the alert function to remind you of the daily sun protection times.
Vitamin D tracker > Find out if you are getting enough UV exposure for vitamin D.
Sunscreen calculator > Find out if you are using enough sunscreen.

BRAVE Program

Attending the BRAVE Program has influenced me to see myself positively. I’ve enjoyed our weekly challenges and have been inspired by their lessons about problems we deal with in life. Now days, I have learnt and am positive about how lucky my life is. I am thankful for my home and my education compared to those who struggle through the dangers at night, such as homeless. I have also gained confidence and had the courage to apologise or to socialise with people I didn’t know before. I’m glad to attend the BRAVE program and I hope that I can attend it again next year.

Selina Year 8

We learn to appreciate what we have. We did all sorts of exercises including push ups, squats and boxing. We thank Paula for doing this program because it helped us in many different ways.

Natasha Year 8

The BRAVE program is a Girls fitness and Self Esteem program funded by the City of Ryde and delivered to girls in Years 7-9 at Marsden High School. Girls involved have really engaged and enjoyed this enrichment program to maintain fitness and active participation in physical activity. Marsden High School thanks the sponsorship of City of Ryde and looks forward to continuing the program in Terms 3 & 4. Congratulations to all the girls, Marsden teachers especially Ms Brenda Slevier, Ms Train and our great trainers. Go Girls!
Library News
During Term 2 we have had a very busy time in the library and have made a few changes!! We started off the term with a nice surprise as Mrs Knight’s plant had flowered. This was a fabulous greeting to the new term!!

Bean Bag Corner
Then we made some colour of our own with our Bean bag corner!! Students can now relax during recess and lunch with a book or library iPad on our fabulous Bean bags!! Have you tried it yet with your friends?

We have had a number of displays during the Term created by our fabulous Library Monitors! We have one semi-permanent display downstairs to commemorate the Centenary of World War 1.

Centenary of World War 1
We created this display as we move towards the Centenary of the Battle of Gallipoli in 2015 and the ANZAC spirit that is now part of our everyday lives as Australians.

NSW Premier’s Reading Challenge
We are moving towards the end of the Premier’s Reading Challenge as it ends in August.

Now is the time to borrow books to read over the holidays and to start logging on at registering your books!!! Please if you are unsure how to do this come and see me, Ms Langelaar in your library!! We have many new and interesting PRC Books to borrow!! Remember to log your books using your DEC log in and Password. Here is the link https://online.det.nsw.edu.au/prc/home.html

Get Reading……

Refugee Week
This display will take us to the holidays as Refugee Week is the 17- 23 of June.

Borrow a book to learn more about the issues facing refugees in Australia and around the world!! Cassie helped to create this fabulous display!

See you in the library

Year 9 Leadership and Team Building Camp
From the 11th to the 13th of June, students from Year 9 at Marsden High School attended an outdoor leadership and team-building camp at Southern Cross Outdoor Education Centre. It was encouraging to see students rise to the challenge of the activities they were faced with. The trials they encountered tested many students personal comfort zones and there were many personal victories over the three days we were there. Further to this, the spirit of co-operation that was cultivated by the group ensured that all students were supported by their peers.

The entire group is to be congratulated and commended for a wonderful three days.

Mr van der Heide, Year 9 Adviser

AFL - Boundary Umpires at the PSSA NSW Boys AFL Carnival
The following students represented Marsden High School and assisted the Primary School and Sydney North Sports Associations, as boundary umpires, at the PSSA NSW Boys AFL Carnival. This was held in May at Macquarie University Sports Fields. Students that were involved with SLR, PASS or simply who had a passion for sports were given the opportunity to apply. Due to their involvement with the carnival, each student was able to build on their umpiring skills and their knowledge of AFL whilst representing Marsden High School in the community.

All of the following students received many glowing reports for their assistance with the carnival. As such, they received individual Certificates of Appreciation from Sydney North Sports Association. Ben Fullerton received special mention for his passion and dedication to AFL.

Well done (again!) to the following students:

SRC Update

Thank you to our dedicated SRC members who have been proactive in our weekly meetings, every Thursday lunch time, held in the Common Room. Many wonderful leaders, planners and do-ers have assisted with the planning of our many school events, our recent BBQ at the Athletics Carnival, held offsite at Dunbar Park which was a great success. The SRC was able to donate money towards the recent Year 9 Camp. Thank you to our Senior and Junior students who assisted throughout the day!

Special thanks to our committed Junior and Senior School Canteen Helpers, who assist in the canteen every week! If students wish to be part of the Term 3 roster, they should register their interest at the next SRC meeting, for any available spaces. Silver Awards will be issued to students who are committed to their role and successfully assist on a regular basis.

Stewart House Donation Drive - Students were asked to donate money to Stewart House during roll call. Approximately $237 was donated to such a worthy cause

Blood donations - Kelvin Liu of Year 11 and Mrs Lister from the IEC were fabulous in coordinating our "Blood Donors" this term. Thank you to the following students for donating blood and potentially helping to save someone's life.
Farbod Nersy - 11, Tyan Whiford - 11, Liam Hodak - 11, Corey McGilligan - 11, Liam Baker - 11, Paige Winter - 11, Kelvin Liu - 11, Parmis Yazdani - 11, Nikhil Deka - 11. Our second group is currently being organised for Term 3! Register your interest at our next SRC meeting, held at Thursday lunch, in the common room. Student blood donors can only donate once per year and need to be 16 or over, as well as fit into the weight requirements of 50kg or more.

Year 7 2015 Pinnacle "Welcome" BBQ - SRC students from years 7, 8 and 12 will be running a welcome BBQ for our future "Pinnacle" students and their Parents on Thursday 26th. This is an opportunity for our young SRC members to talk to our future Year 7's and their parents.

Upcoming events for Term 3 include:
Special mention regarding our upcoming Prefect Elections - Year 11 students will be elected into prefect positions and roles within the SRC. Students who are passionate, show determination, leadership, are dedicated towards improving our School spirit/School community and want to lead and represent our School and student body, are invited to attend our SRC meetings every Thursday in the Common Room in Term 3. Elections will take place early Term 3. A Year meeting will be held with Ms Swinkels and Ms Bernyk, to explain the selection process and also to explain the roles and expectation of our future school leaders.

Revolution Red - The Roar Effect - This is a campaign that aims to promote awareness about mental health issues, reduce stigma and ultimately prevent youth suicide. Any money raised from this event will be donated to the Kids Helpline. Revolution Red, at Marsden, will be held on September 10. More details to come. Thank you to Brooke Seifert and Maddy Hendroff for coordinating with the SRC for this worthy event.

Jeans for Genes Day - Jeans and all things denim will be welcomed across the school, on our "Jeans for Genes Day" to raise awareness of genetic diseases and help raise money for more research. Our date for Jeans for Genes day is yet to be confirmed. Prizes will be awarded for our best dressed "denim" students in years 7

SRC leaders will also be assisting at the West Ryde Primary School's Fathers Day BBQ in September

If students have any ideas or feedback for our SRC, don't forget to come to our weekly meeting, Thursdays in the Common Room.

Helping the Homeless of Sydney
On Wednesday 11th June our Year 12 Work Studies class and Mrs Symons visited the Mathew Talbot Hostel Woolloomooloo run by St Vincent de Paul Society. We had an interesting day learning about homeless people in Sydney that roam the streets. They gave us information and statistics that really shocked us, like more than 30,000 people who are homeless are under the age of 18. We would like Marsden High School to help to support the homeless people of our city you can do this by donating an old blanket or bag/backpack which makes a big difference to a homeless person so they can keep warm and carry their belongings. Please bring any donations to the front office.

Introducing online enrolments
Your enrolment can be submitted online 24/7. Enrolments close one week prior to camp. Book early to avoid disappointment.

How to enrol
Call 13 13 02 to book and pay over the phone, or submit your enrolment with full payment online.

Our friendly staff are always ready to help with your booking and answer any questions.
We recommend you book as early as you can to ensure your child doesn’t miss out.
