It is a pleasure to welcome all new students to the school especially Year 7 students. It is the largest year 7 cohort we have had for some time and early signs indicate that they will be a highly performing group in their time at Marsden. I have been particularly impressed by their level of engagement in classroom settings and the friendly, cooperative behaviour towards one another. A special welcome also, to new teachers to the school:

At Marsden we believe that learning is important and students’ successful learning matters to us. That means we have high expectations that all students participate to the best of their ability, follow the school rules and meet the expectations that we, as a learning community, have of them. That includes that student behaviour in school that supports their own learning, does not interfere with the learning opportunities of others, or the teachers’ ability to teach. Most of our students are highly engaged in their own learning, respectful and cooperative and a credit to themselves and their families. I have however, made it clear to students that I will not tolerate patterns of behaviour from students that interfere with learning and teaching and bring our school into disrepute.

Maintaining the high standards of behaviour at Marsden that we have set, is essential for the students’ success, productivity and safety.

In the past two weeks at school assemblies, I have also highlighted concerns I have about student safety on their journey to and from school. We rely on students to act sensibly and thoughtfully in and around traffic and transport links. With Winbourne Street at the front of the school being very congested before and after school, it is particularly important that students use the footpath and use the pedestrian crossings to cross the road. Some student have taken to crossing the road when being picked up in the afternoon by just walking through the traffic. This is a dangerous practice that could lead to a serious injury. Please encourage your children to be aware of the personal safety and use the crossings next to the school.

Gus Vrolyk  
Principal

Our next P&C meeting is on Tuesday 24th February in the Library at 7:30pm
Notice to all Year 11 and 12 students
Jonathan Kuan a very talented ex student from Marsden will be in the library twice a week to provide free tutoring for senior students. He will begin next Monday from 9am to 12noon, so if you need help with Maths and you have a study period, please look for Jonathan.

Welcome back to all our students. Another exciting, eventful and successful year is ahead of us. This year, Marsden High School will be performing the musical “The Dracula Spectacula” on 17th and 18th June, Term 2. Students who are interested in being part of this historic event should see either Ms.Idrus or Ms.Langelaar. There are many roles to fulfil in any production, both on stage or behind the scenes and all helpers are welcome. I can promise you an experience that you will never forget.

How much sleep are your children getting? Are they spending too much time on facebook, their phones or playing games before they go to sleep? Recent overseas research claims that if adolescents spend 4 or more hours on a computer or gaming device, then they will take up to 1 hour to fall asleep, thus losing valuable sleep time. The Victorian Government have released information that states adolescents need 9-10 hours of sleep a night if they are to function at their peak during the day. Students, who regularly only have 6-7 hours of sleep may suffer from chronic sleep deprivation, which can be instrumental in students not performing academically, having a shortened attention span in class, poor decision making, suffering from depression and risk-taking behaviour.

Students can help to improve their sleep patterns by establishing a routine and not checking social media about an hour before bedtime. Parents can help by establishing appropriate time limits for playing computer games or accessing social media prior to bedtime.

Parent Teacher Night
Tuesday 3 March 4-6pm
School Hall
All parents and guardians are encouraged to attend
Early notice, **Our Clean – Up Day** this year is on **Saturday 7th March**. Parents and students are invited to help us tidy up the school grounds before our Open Night which will be held on 10th March. Volunteers are asked to bring gardening tools, including gloves. Last year’s day was a great success and our grounds looked fantastic.

Students are reminded that our school uniform includes black, leather, HARD-soled shoes, either lace-ups or dress shoes. If you are unsure, please refer to the acceptable shoe guide in this newsletter or visit our website.

Ms Margaret Paczkowski
Deputy Principal

**Year 12, 2014**

I would like to begin by congratulating the Year 12 class of 2014 for their outstanding HSC results. We were delighted to see so many students achieving their personal best and achieving truly excellent results. Congratulations must also go to **Sharon Choi** who narrowly achieved **Dux of 2014** amongst very strong competition. The results were testimony to the fantastic partnerships that exist between students, teachers and parents in the final years of school. We wish the students every success as they enter their tertiary studies.

**Year 11**

Welcome to the senior school Year 11. As you know I have very high expectations of what being a senior student at Marsden High School entails. It means showing the junior students how to value their education. It means being in full school uniform, being respectful and working at all times to the best of your ability. Nothing less is acceptable.

At our first senior assembly I outlined the expectations for senior students at Marsden. I know that our senior students will be dedicated to their HSC studies and I look forward to working with them to help them to achieve their goals.

**Year 12**

I have been very happy with the conduct and dedication to studies of our Year 12 students. I would expect that all Year 12 students would already have commenced study in preparation for their half yearly exams which begin in Week 9 of this term.

Our Years 11 and 12 students are very fortunate to have **two wonderful Year Advisers** in Mrs Dalal (Year 11) and Mrs Samuel (Year 12). Students, parents and guardians should contact their Year Adviser if they have any special needs throughout the year.

Parents/guardians and students please don’t hesitate to contact me if you have any concerns or if I can help in any way.

Have a great year!

Mrs Sheryn Symons
Deputy Principal

**An introduction to Marsden IEC**

When new Year 7 students come to Marsden High, they often wonder about a particular group of students in the playground who can’t speak much English. These students in fact have a lot in common with Year 7 students because they are also new to the school and share much the same feelings of nervousness, uncertainty and excitement. They are all new arrivals in our country and as such need our help to learn English and get used to our school system.

At Marsden the help is provided by the Intensive English Centre (IEC) which also accepts new arrivals (mainly Years 7 to 11) from other local high schools for an intensive English language preparation course across key learning areas lasting about three terms. Three terms to teach someone a new language so that they can cope with the curriculum demands of a normal high school is a big task, but
the combination of experienced teachers, motivated students and intensive teaching methods have proven to be highly successful at Marsden IEC.

The success of IEC students is also attributable to the fact that the IEC operates as an integral part of the school, even though IEC classes are completely separate from regular high school classes. As soon as they are enrolled, IEC students are immersed in the daily life of a typical Australian high school with recesses and lunchtimes providing highly productive open-air lessons in playground etiquette, body language, inter-cultural awareness and successful communication strategies.

This learning process is, of course, a two-way street where all students at Marsden have a unique opportunity to not only help but learn from representatives of over fifteen different cultures on a daily basis. All that is needed is a smile, no language required!

General information
Marsden IEC is part of a network of fifteen IECs located throughout the Sydney metropolitan area whose main role is to prepare migrant students from a non-English speaking background for high school studies in Australia. Although the focus of this preparation is obviously to improve students’ English language competence, the centre also provides bilingual welfare support in order to assist students to overcome social and cultural difficulties during the crucial period of transition to life in a new country. The bilingual support staff at Marsden IEC also provide interpreting and translating services in Mandarin, Cantonese, Korean and Persian to facilitate communication with all parents at Marsden HS. In addition, an IEC is the first point of contact for all newly arrived migrant students who require English language competency assessment and subsequent placement into their local high schools. Marsden IEC mainly places students into Marsden HS, Carlingford HS, Cumberland HS, Epping BHS, Cheltenham GHS, Riverside GHS, Cherrybrook Technology H, Castle Hill HS and Galston HS.

For more information, please have a look at the Marsden IEC video posted on the Marsden High School website.

SCHOOL NEWSLETTER

NSW SCHOOL VACCINATION PROGRAM - 2015

Each year NSW Health works in partnership with schools to offer the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school vaccination program.

In 2015 the following vaccines will be offered:

Year 7 students*
- dTpa vaccine (Diphtheria, Tetanus & Pertussis (whooping cough) as a single dose
- Varicella vaccine (chickenpox) as a single dose; and
- Human papillomavirus (HPV) vaccine in a 3-dose schedule at 0, 2 and 6 months (students who commence HPV vaccination in Year 7 but do not complete the course may be offered catch-up doses at school in Year 8)

Year 11-12 students*
- Measles-Mumps-Rubella (MMR) vaccine as a single dose as part of a catch-up vaccination program for students who are not fully protected.

* The Parent Information Kits contain a consent form, information sheet and privacy statement that details how personal information will be collected, stored and utilised.

Parent Information Kits will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to:
- read all the information provided
- complete the consent form, including signing their name next to the vaccine/s they would like their child to receive
- return the completed consent form to their child’s school
- ensure that their child eats breakfast on the day of the school vaccination clinic.

Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal or phoning the school. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.

To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.

Please note that for HPV vaccine only, parents/guardians must record their Medicare Number (all 10 digits and the 11th number beside the child’s name) on the consent form, as this is required to record the student’s information on the National HPV Vaccination Register and (for female students only) link to the National or State Cervical Screening Program.

A Record of Vaccination will be provided to each student vaccinated at each clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated if they do not receive this Record of Vaccination.
SCHOOL PHOTOS – THURSDAY 26TH FEB 2015

- PAY ON THE DAY (OR ONLINE BEFORE)
- CORRECT MONEY
- SEPARATE ENVELOPES FOR EACH PERSON PLEASE.

School photos are in Week 5 and will be held on THURSDAY 26th Feb

Year 12 Graduation Dinner 2015
Following the success of the inaugural Graduation dinner last year, we look forward to organizing a Year 12 Graduation Dinner for our current Year 12 students on Thursday 17th September.

It is a wonderful opportunity for students to celebrate the end of their school life with their parents and teachers, and to reflect on their time at Marsden High School.

We look forward to support from parents who would be willing to assist in aspects of the dinner. If you are willing to be part of a committee that coordinates the dinner please contact me during school hours on phone 9874 6544

Many thanks
Mrs A. Samuel

Uniform Policy

Marsden High School is a “uniform wearing” school and all students are expected to wear the correct school uniform. The Department of Education and Communities supports the wearing of school uniforms by students and the upholding of high standards of dress by students and staff. The Department recognises that NSW has a long history of school uniforms being decided by the local school community.

A school uniform identifies students as belonging to Marsden High School. We expect students to wear the uniform during school hours, while travelling to and from school, and when engaged in school activities out of school hours.

**Uniform Practice**
- Uniform is to be worn at all times for class and excursions unless specifically stated otherwise.
- Students that are not in full school uniform will not be allowed to go on excursions and no refund will be issued if the student arrives out of full school uniform on the day of the excursion.
- Full school uniform is to be worn during examination periods.
- Sports uniform is to be worn for PE and sport lessons only. Students are to change into regular uniform after PE lessons.

**Out of Uniform**
1. Students MUST have a parental note dated and signed, which includes name, Year and roll class of the student. **It is the student's responsibility to get a purple coloured uniform pass** from the Deputy Principal of their year group before the start of the school day.
2. Students must show the pass to their roll teacher. Student’s names will be entered on the green uniform sheet in the roll folder with an N (Note).
3. Students will need to produce their pass whenever questioned about their uniform by a teacher.

**Out of Uniform – Without a Pass**
1. The Student’s name will be recorded on the school’s green daily uniform monitoring sheet during roll call.
2. The Student’s names that appear on the green sheet will be recorded and entered into Sentral (our student recording system). On the third occasion students will be issued with an after school detention.

Community news

Interested in learning a musical instrument? Kids - got a clash that means you can’t play in the school band this year? Parents - always wanted to learn but never had the opportunity before?

The Golden Kangaroos Hornsby Concert Band may have the solution. Our community band consists of beginner, intermediate and senior concert bands, marching band, stage (jazz) band and a number of smaller ensembles. We welcome musicians of all ages and abilities. Rehearsals are in the evenings at Beecroft Community Centre.

The beginner band will be starting at 6pm on Monday 16\textsuperscript{th} February. No previous experience is required and instrument hire is available. Age is certainly no barrier with people from 7 to 70 participating in previous beginner bands, in fact often Mum or Dad end up learning alongside their children.

Ever wanted to march at ANZAC Day? The Centenary of ANZAC is a chance not to miss. Marching band rehearsals start on Sunday 22\textsuperscript{nd} February.
