The article below from the June 4 edition of the Northern Times, is about Marsden High student ALEX WOOD. Alex was from Newington primary school and is currently in Year 9. In Year 7 and 8 Alex was a part of our Pinnacle program for gifted and talented students Alex is also part of our Talented Sport program, specialising in Touch football and Oztag. Alex decided to attend Marsden High after attending numerous open days at different high schools. Alex was particularly interested in the sports opportunities offered at Marsden. This year he has enjoyed the wide ranging choices of elective subjects for Year 9.

"Alex always puts in 100 percent," coach Alex Ledonatos said.

Alex is this week's nominee for the Northern District Times Junior Sports Star award, sponsored by Rebel.

He is all set to compete at the Australian Youth Ultimate Championships at Albert Park in Melbourne this weekend.

Alex said he had been around the Ultimate scene since he was born, watching his father Simon play at a national and international level.

"I have found it to be one of my most favourite sports in the world," he said.

"It is a sport that anyone can play really, which is why it is so much fun," Alex said he could not get enough of the game and wants to take it as far as he can.

"I am aiming to make the Australian U19 team that will go to the World Championships in 2016," he said.
